

July 21, 2021 – Haul Truck Operator

We are currently recruiting Haul Truck Operators to join our growing team in British Columbia. This position offers a rewarding opportunity to work on key projects and build your career with a fast-growing company and a close-knit team that supports your personal and professional development.

Candidates should demonstrate a history of skilled experience maneuvering both an Articulated and Rigid Frame Haul truck forward and in reverse in tight spaces, narrow & winding roads, working in all types of ground conditions, performing accurate placement of loose materials such as sand, gravel, and crushed rock, and requiring limited supervision and direction - experience operating other equipment is an asset

General Duties & Responsibilities:

- Read and interpret drawings, plans and diagrams to perform required work
- Accurately complete all work reports and maintenance logs
- Communicate with co-workers
- Regularly perform Safety inspection of equipment
- Oblige to Health and Safety Procedures and Processes
- Follow equipment maintenance schedule and advise if repair is required
- Perform other related tasks as needed

Requirements:

- 3 plus years' experience operating a CAT Rigid Frame or Articulated Haul Truck
- Operates safely with care and attention to the equipment, the jobsite and the crew
- Mining Experience recommended
- Safety mindset 1st priority
- Familiar with Job Hazard assessments
- Expertise operating other heavy-duty equipment is an asset
- Attention to detail
- Compliance to company policies
- Ability to pass Drug and Alcohol pre-screen

What we offer you:

- Competitive Wage
- Long-term employment for qualified individuals

Location: Williams Lake and Cariboo Region, British Columbia
